

“GEM SETTING TUTORIAL” ADDITIONAL TOPICS

GRAVER CUTTING:

With the aid of the Tutor at all times, rough and bright-cutting will be shown. Watching the hand motions during each stage, the student will appreciate the many nuances of Diamond Setting.

DESIGNING PATTERNS WITH THE GRAVER:

Watch how the graver can make ornamental cuts between the diamonds. “Bright-Cutting” is an art form!

QUESTION & ANSWERS:

All through the training session, questions on diamond setting will be answered. Training texts written by the tutor, will be handed to the enquiring student. Each text will be used in conjunction with the topic being taught.

Extensive details on Graver cutting will be shown! Tutor will explain how and why “Pre-Cutting” is used in these patterns.
